Take on our Six Nations Grand Slam Challenge!
Can you complete all five tasks?

Did you know?

The Six Nations Championship is a yearly rugby tournament between England, Wales, Scotland, Ireland, France and Italy.

If a team wins each of their five matches, they achieve a 'Grand Slam'!

How many tries and conversions can you score?

Activity 2

ENGLAND RUGBY SCHOOL OF RUCK

Activity 3 Design a flag

Invent a new flag that includes all six nations! Think about colours and items related to each country e.g. a dragon for Wales and green, white, and red for Italy.

Activity 4 Create a Six Nation Poster

Choose one country from the Six Nations and find 5 interesting facts about it.

Google to learn about the country's physical geography including: climate zones, rivers, mountains, volcanoes and earthquakes.

Don't forget to find where the country is on a map!

Activity 5 National Anthem

Can you practise and sing the English national anthem from memory?

Create a family band and try to use household instruments if you can!

Why not write your own anthem for the Six Nations? Try to use rhyming couplets.
