

The Cabbage Patch

How well do you think you know the home of
England Rugby?

Did you know?

In 1907, the Rugby Football Union
purchased a 10 ¼ acre market garden
in Twickenham.

The man who found the land was called
William Williams and it became known
as his "Cabbage Patch". This is where
they built Twickenham Stadium.

Activity 1

Six Nations Spelling Bee

Get a family member to challenge
you on our Six Nations Spelling
Bee!

How many tries and conversions
can you score?

Activity 2

Garden Explorers

In your garden or on a walk
outside, take photos of different
plants, trees, and insects you
find. Can you identify them all?

Draw a plant, including leaves, a
flower, stem and roots. Use the
activity sheet to help label your
plant and describe what each
part does.

Activity 3 Design a Stadium

Can you design and build a stadium?

You could use a range of materials. For example: Lego, twigs, wood, cards, clay or you could even design it on your computer!

Activity 4 Pitch and Perimeter

Help Billy Williams work out the missing perimeters of the rugby pitches before it's too late!

Activity 5 Create a Timeline

Using the Twickenham Stadium Timeline Sheet, put the events in the correct order and draw some pictures to go with the facts!

Can you also add some world events onto your timeline? E.g. WWI began in 1914!

Six Nations Spelling Bee

Learn the spellings and meanings of the words on the next page.

Read each word, write it without looking, and check!

Once you feel confident, get a family member to test you. Start with words from the Try column. If you get the spelling right, score 5 points. If you don't, move on.

If you get a spelling correct, you can attempt a word from the Conversion column to score an extra 2 points!

By the end of the week, can you score the maximum 35 points?

Bonus Round!

Can you put every new word learnt into a complete sentence?

Try (5 points)

Gardener

Trouble

Irregular

International

Sensation

Conversion (2 points)

Creature

Nature

Chef

Tongue

Mist

Pitch and Perimeter

A Six Nations match is fast approaching. Help Billy Williams measure the perimeter of the rugby pitches before it's too late! Using a ruler, measure the sides and round to the nearest cm.

To find the **perimeter** of a rectangle, you must measure and add up all the sides.

Pitch and Perimeter

Pitch and Perimeter

Twickenham Stadium Timeline

Can you put the events in the correct time order? Draw some pictures on your timeline and add some world events e.g. WWI began in 1914

1909 Harlequins v Richmond, 1st match

1914-18 WW1. Ground used as a store for the duration. Horses allowed to graze on the pitch.

1907 Twickenham Stadium Land Purchased

1939-45 WW2. Stadium used as a civil service depot for the duration. Lightly damaged by bombing.

1938 First televised game

1991 Co-host Rugby World Cup

Garden Explorers

Draw a plant with a flower, stem, leaves and roots.

What does each part do?

Label your flower

Flower
Leaves
Stem
Roots

Takes up water and nutrients from the soil. Keeps the plant steady and upright in the soil.

Carries water and nutrients to different parts of the plant.

Uses light from the sun, along with carbon dioxide from the air and water to make food for the plant. This process is called photosynthesis.

Involved in creating new life and produce seeds.
